

## CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Appointments to Northern California Power Agency and  
Transmission Agency of Northern California

MEETING DATE: December 7, 1994

SUBMITTED BY: City Manager

RECOMMENDED ACTION: That the City Council confirm the appointments of City  
representatives to the commissions of the Northern  
California Power Agency (NCPA) and the Transmission  
Agency of Northern California (TANC) as set forth in Exhibit A attached.

BACKGROUND INFORMATION: With the retirement of former Electric Utility  
Director Henry Rice there is the need to redesignate  
the City's representatives to NCPA and TANC. The names  
listed on Exhibit A are to cover the interim period during the recruitment of a  
new Electric Utility Director. It is anticipated that it will probably be a  
minimum of four to five months before a replacement is on board. At that time  
a more permanent designation can be confirmed by the City Council.

The primary representative to NCPA will be Jack Stone, Manager, Rates and  
Resources. The City's business with TANC will be handled primarily by Mike  
McDonald, NCPA's General Manager. Mr. McDonald currently represents some other  
cities at TANC commission meetings and has advised that he would be more than  
willing to serve the City of Lodi in such a capacity during this interim period.

FUNDING: None required

Respectfully submitted,

Thomas A. Peterson  
City Manager
